

Report on Soft Skill

"Mathematics Quiz"

Date: 25-10-2019

Venue: Room no 412

Time: 12:30 to 1:15pm

Faculty in charge: Prof. Rashmi and Prof. Roshini

Participants: B. Sc (PCM/MEC) students

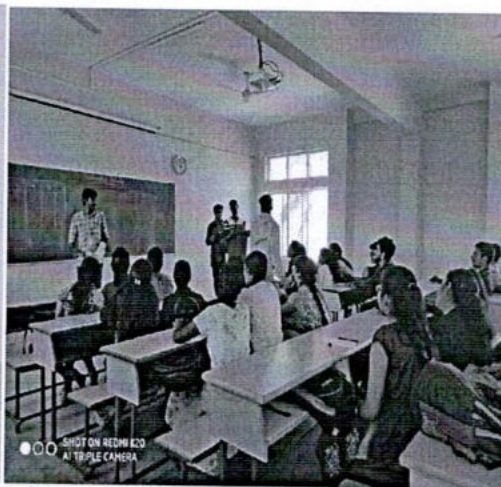

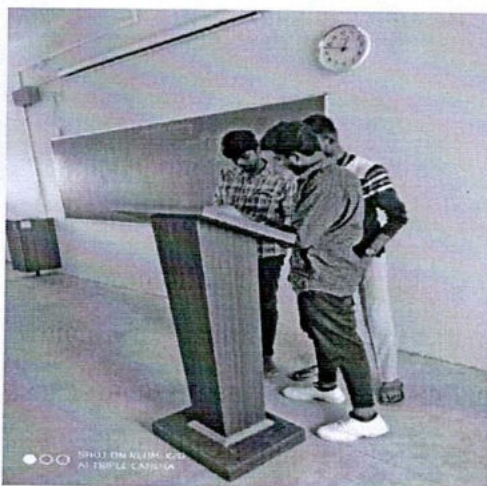

MATHEMATICS is not about number, equations, computations and algorithms: it is about UNDERSTANDING- William Paul Thurston.

A little competition can inspire math students to greater achievement. It challenges students to use their math skills in new and creative ways. Mathematics Quiz is a small test administered to know the student's knowledge or it is a short duration test used to know the student's knowledge and understanding in the field of Mathematics. The mathematics quiz will go a long way in shaping and moulding the personality of students towards mathematics. The quiz was conducted in order to develop critical thinking among students, to develop the skill of answering precisely, to make the students think and answer quickly, and to get equipped with useful and important facts. It also provides a challenging and engaging mathematical experience in both competitive and educational.

To make students to get an awareness about the contribution of mathematics and latest discoveries. The department association for mathematics Maths π rates conducted a mathematics quiz competition on 25/10/2019 in the 5th hour for both B. Sc students. The second year students coordinated the event under the supervision of Prof. Rashmi and Prof. Roshini. Almost 25 students participated in the activity known as Math's quiz and general riddles. There were two rounds in the game round 1 and round 2, at the end of the game there were only 4 teams. For the finals there were just 6 questions ahead for the winners.

Ashok Kumar, Hitesh and Sandrose Alexander from II Sem B. Sc (MEC) secured the first place. Asish Robin Bara, Kunal and Dundaiah of II Sem B. Sc (PCM) secured the second place.

Students participated with lot of energy and enthusiasm. The students themselves conducted the quiz competition in a well organized way. This activity could be considered as a platform for promoting the concept of team work among students. It was learning with fun activity which was useful to students in enhancing their knowledge. It was a different experience for them other than classroom teaching. Students thanked the department and the professors for giving them this opportunity of conducting and participating in the activity.
