"Goodbyes make you think. They make you realize what you have had, what you have lost, and what you have taken for granted.

-Ritu Ghatourey

The morning of 28th August echoed with the blessings for the batch of 2021 as all students and teachers came together to bid goodbye to the outgoing batch of final-year students. It was a morning filled with mixed emotions for everyone present to witness the official send-off for final year students at the batch party. The day was a fiesta devoted to the years spent together with friends and teachers to reminisce the joyous moments of the 3 wonderful years on this amazing campus. The students organized a brilliant batch part with great enthusiasm.

The function began with the welcome speech followed by a song medley dedicated to the fantastic friendships that had made the college life worth it for the students of this batch.

Students shared their views and experience about the department and college, then teachers also expressed their views and experience with the students. Faculties of the department expressed their hope that students will continue holding the best positions in the upcoming days of life.

To brighten up this event, both the batches bought the cake and which was cut by both the class coordinators and the HOD.

Students had organized wonderful games for teachers, where both the teachers and students participated.

The day was a memorable one both for the outgoing batch and the teachers. There was a lot of emotion and nostalgia as students took photographs with teachers and their friends.

Students shared homemade sweets and lunch with the teachers.

The entire program was wonderfully organized by final year students with the help of their class coordinators.
