The research cell organizes lectures on research activities and as a part of this , a lecture on how to identify cloned journals was organized for the UG and PG faculty members.

The resource person for this session was Prof. Benet Rajadurai, Assistant Professor from the department of Humanities. The session was started with a welcome address by Dr. Regimol.

The resource person gave an informative and exhaustive talk on how to identify cloned journals from legitimate ones. Enlightened about how to publish in genuine journals like in UGC Care List Journals, Web of Science and Scopus Journals without misguided by cloned ones.

The session lasted for an hour and was concluded by vote of thanks by Dr .Nebula.
