The first session was conducted on 19th April 2023 at closed auditorium from 10:30 am to 11:30 am and was handled by Dr. Josephine Narmadha for the second-year & final-year students of BBA (Regular). She also explained how investment in yourself will boost confidence in one's own abilities and have a positive impact on self-esteem by equipping with new knowledge and skills and focusing on personal development that helps to know yourself better. She concluded her session with Warren Buffett's quote "The best investment you can make, is an investment in yourself. The more you learn, the more you'll earn." It was a very knowledgeable session and useful for the students.

The second session was held on 20th April 2023 at closed auditorium from 10:30 am to 11:30 am and was taken by Ms. Lincy Joykutty for First-year students of BBA (Regular). Ms. Lincy completed her Master of Business Administration with NET qualified and working as an Assistant Professor at St Joseph College of Law, Bengaluru with 13 years of experience. She presented and published various research papers in UGC Care List journals. Her topic for the session was Sustainability Marketing. She started her lecture about sustainability with an activity. She explained how the environment, society,

and economy influence market sustainability and made the session more interactive with students to understand the concept of sustainability marketing.

The third session was conducted on 20th April 2023 at Seminar Hall from 12:30 pm to 1:30 pm. The session was exclusively for BBA Aviation students from all 3 years. Ms. Rachael Kharshong, a native of Shillong was the speaker for the event. She comes with great experience as First-Class Cabin Crew for Emirates Airlines. The main motive of the session was to give the students an insight into the 'Life of a Cabin Crew'. Ms. Rachael took the students through the experiences she went through from Interview Selection Process to Training to Working in the Aircraft. The speaker was able to explain in detail how the interview process was, what questions were asked and the number of rounds faced before the final selection. She, later on, went through the 7.5 weeks of training that the newly appointed cabin crew have to go through and what skills they need to acquire before they are permitted to work on a real flight with passengers. Ms. Rachael was also able to share the benefits and additional perks the cabin crew would get once they completed their training and probation period. The session wrapped after a few questions asked by the students.

The outcome of the program:

The guest lecture gives students a better opportunity to learn about an explicit topic in a way that gets them involved in the class and actively join in a more convenient way of teaching. The experience gives students the opportunity to connect with professionals and create meaningful learning connections.
