OBJECTIVE:

The main objective of the program is to provide coaching for finance professional courses and allied skills for the students of "the College". Preparing the students of a batch for taking up the exams of a course through physical lectures, on line lectures, videos, tests etc.

COURSES:

It includes finance professional courses like Chartered Accountancy etc., as mentioned in the annexure. It means a particular level of a Course for which coaching is offered and it may be conducted through one or more batches. For example: CA-Foundation, July 2020.

SECOND COACHING:

It refers to the coaching requested by students who had failed in their first attempt for any finance professional course. However, if a student has not taken his first coaching with F.A but joins F.A classes then the same shall not be considered as Second Coaching.

SKILLS:

These include skills which are ancillary to the finance professional courses or any stream of commerce education. It also includes skills which are essentially required for students of any stream of education like soft skills.

The session enlightened the students regarding the various finance course available and the various skills provided or needed to compete in the financial field
