DATE: -03/8/22

NAME OF THE ACTIVITY: - CLASS ACTIVITY

TITLE OF THE ACTIVITY: - DUMB CHARADES

NAME OF THE FACULTY: - Dr. REVA PRASAD

Class: II SEM BCOM

SUPPORTING DOCUMENTS: -PHOTOS

REPORT IN BRIEF: -

On behalf of Hindi department - SURABHI ASSOCIATION, Class Activity was conducted on the 3rd of AUG, 2022 on the topic of *DUMB CHARADES* for II Sem BCOM students.

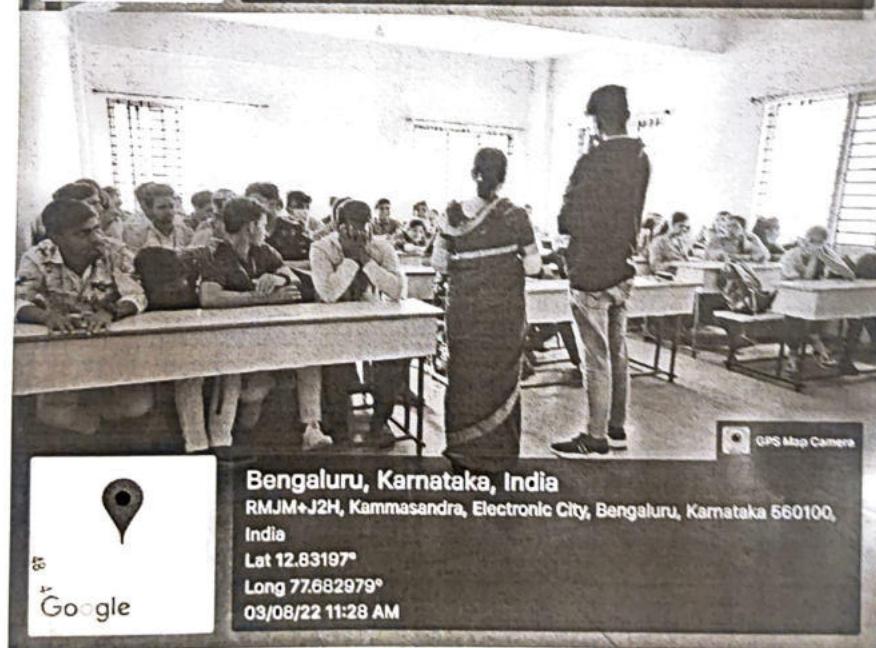

On behalf of Hindi Department – SURABHI ASSOCIATION: *Dumb charades* class activity was conducted on 03/18/2022 for Hindi students of II sem BCom. Around 60 students took part in the class activity. The objective of the class activity was to enhance self confidence among the students. To make them understand that success only comes to those who strengthen their belief in their abilities. Self-confidence makes the person more independent, eager, optimistic, loving and positive by nature.

The Surabhi Association conducts such activities for the overall development of the students. This improves their reading and speaking skills and also aids the learning process through creativity. The class activity focuses on critical and analytical thinking skills that improve communication. They learn to present their ideas in a coherent manner. It promotes research skills and the students gain knowledge through the same.

Class activity is a form of self-expression that allows students to frame their thoughts and present them. It is also an effective way to apply language skills in topics of various disciplines. The students participated well and gave a positive response to the program.

Students participated in dumb charades activity. Six groups with participants each were formed. Students were asked to discuss with their group and select a representative for enacting the given word through action. While one group enacts their interpretation of the given word through action and gesture, the other groups try and guess the same. Through this activity, students build the ability to communicate non-verbally. It also improves team work and inter-personal skills. It helps students to recall their vocabulary. Students expressed their thoughts in a good manner.
