ST. FRANCIS DE SALES COLLEGE Bengaluru - 100

Desalite™

Detailed Report (minimum 500 words)

St Francis de sales college, Bengaluru Karnataka is happy to Collaborate with the Jyothi Nivas College, Bengaluru. As a beginning we have collaborated the students to present their papers in the seminar. Nearly 10 groups of students presented their papers both in online and offline modes with the help of the faculty members. This has given a great learning experience and also knowledge for the students when they compete with other college students.

Group 1:
Prof. S. Devichandrika
Topic: "A study on preference of students opting for higher education"
Presenters: Shilpa, Akshaya, Jelsiya.
Group 2:
Prof. Geetha P.S
Topic: "Role of foreign direct investment in India"
Presenters: Sathwika Reddy, Priya.N.
Group 3:
Prof. N. Mangayarkarasi
Topic: "HR Ethics in Educational Sector"
Presenters: Shreya Roy, Diya Choudhary
Group 4:
Prof. Sonia Ashok
Topic: "An Impact of Internet on Youth"
Presenters: Harsha and Shakthivel.
Group 5:
Prof. Victoria Reena
Topic: "CSR initiatives in response to Covid-19"
Presenters: Ruchitha S, Sreesha C
Group 6:
Prof. Gulla Keerthi
Topic: "Ethical Leadership"
Presenters: Pradeep Kumar, Vinutha.C
Group 1:
Prof. Geetha P.S
Topic: "Mobile Banking"
Presenters: Pawandeep Kaur, Nidhi Shukla.

The presentation helped the students to gain knowledge to know how the research paper has to be created and also the importance and purpose of research paper. It was a great experience for the students to present along with various faculty members.

The session helped the students and faculty to understand more about business planning and steps involved in it. The knowledge imparted them was the required idea, thinking process, creativity, innovation the required steps to be a successful entrepreneur.

SESSION-2

The core objective of this session was to enlighten students to "Create Natural Capital with Sustainable living". This session topic was aimed to integrate with the UN's sustainable development goals and how to start a business that is eco-friendly products. They addressed that their product Pranna Poorna collective which has 100% disinfectant, biodegradable products that helps to minimise pollutants and wastage. This also included how chemical based products have adverse negative effect on our environment and animals that deteriorate the eco system of our

Detailed Report (minimum 500 words)

St Francis de sales college, Bengaluru Karnataka is happy to Collaborate with the Jyothi Nivas College, Bengaluru. As a beginning we have collaborated the students to Participate in Workshop. Nearly 30 students participated in the workshop conducted on 19/11/2022. The faculty accompanied from the department was Prof. N. Mangayarkarasi.

The theme of workshop was "Role on social media in marketing in educational sector". The Resource Person was Dr. Ramesh Kumar. The session was about social media influence. The speaker explained about the social media- advantage and disadvantage. It was a very interactive session, he interatcted with students and made the students engaged in the session throughout. He has also conducted activities to the students which is he asked the students to make the list of 10 moral values we have. Then he asked to reduce it to 5. Now he called the students individually to explain. The session also gave inputs on dream, Linkedin Process, conflict Management, Communication based on observation, Normalisation of Devience etc.,

The workshop helped the students to gain knowledge on various theme and the activity helped the students to understand that each individual thought process and perception will be different for the same concept. The workshop was conducted nearly for 3-4 hours. Which is an hands on experience and gained experiential knowledge in social media.

The session helped the students and faculty to understand more about business planning and steps involved in it. The knowledge imparted them was the required idea, thinking process, creativity, innovation the required steps to be a successful entrepreneur.

Venue	Jyoti Nivas College Autonomous -Post Graduate Centre
Number of Participants	4
Target Audience	BCA II year

Paper Presentation

The Department of Computer Applications of Jyoti Nivas College Autonomous-Post Graduate Centre conducted Paper presentation as a part of the Jyoti Summit on the 18th of November 2022 from 2:00 pm to 4 pm under the guidance of faculty coordinator Ms. Shilpa, Professor Jyoti Nivas College.

The event was held in both online and offline modes. It was conducted as a team event with a max. of 2 people in a group. The presentation primarily focussed on bringing out innovative ideas from academicians, research scholars, and students on the latest trending technologies like Artificial Intelligence, IoT, Machine Learning, Blockchain, etc.

Mrs. Sailaja and Ms. Veena presented a paper titled "A Comprehensive Study on AI Ethics and Risk in Medical Field".Dr.Sivagami and Mrs. Saranya presented a paper titled " HSO-based K-Means segmentation for identification of disease and deficiencies in plant ".Mrs. Indu Joseph Thoppil and Mrs. K. Ashtalakshmi presented a paper titled " Prediction of Individual Instructional Materials for students by Educational Data Mining ".

Students from III sem BCA actively participated in the same. Ashwini P, Devi Priya R, Akshay D, and Yathin Suhas Y presented a paper on Artificial Intelligence.

A panel of judges evaluated the teams. It was evaluated based on their technical knowledge, soft skills, and presentation. The event concluded successfully with the participants and the audience learning the latest advancements in technology and motivated us to research on these topics.

Workshop - Cybersecurity

The resource person for the workshop was Mr.Pushpa. The workshop was conducted in two phases.The resource person gave a quick introduction to hacking in the first session, discussing the necessity for ethical hackers in the modern world as well as the fundamentals of networking to provide the students a thorough understanding of how the internet functions. Additionally, the speaker talked about cybersecurity algorithms like AES, RSA, etc. The participants were also educated about the safety and security precautions to take while using the internet and different applications. The participants had the chance to put the concepts they had learned in the first session, which was a hands-on workshop, into practice in the second session.

Poster Presentation

The poster presentation was held on 19 th November 2022. The III sem BCA students took part in the poster presentation. A poster with the theme of Data protection was presented by Syed Abusuffiyan H and Kumar Swamy P, and a poster with the theme of Cyber ethics was presented by Vandana S and Vanishree R. The presentation was designed to assist students in showcasing their technical poster-making abilities and presentational skills. They received feedback on their presentations after the faculty panel had examined them. Overall, the students gained a great deal from designing to delivering their presentation.

International Conference on Governance and Ethics as a Policy in Education

Since its inception in 2013, Jyoti Summit, has been an example of industry-academia interaction as well as interdepartmental cooperation. Often knowledge in the academia stays compartmentalized within the boundaries of its concerned departments. This can lead to incomplete understanding of issues and problems and ineffective solutions to the said problems. Jyoti Summit is an attempt to break such disciplinary boundaries and to bring about fruitful sharing of knowledge and research between departments and between academics and industry experts.

Jyoti Summit 2022 will focus on governance and ethics as a policy in education to gather insights on how governance is necessary to stimulate a more unified and collaborative culture in educational institution, and establish good cooperation with the wider community. With current emphasis on new challenges, new areas and pedagogies within academia across the disciplines of Arts, Sciences, Management and Humanities the pressures to reform higher education policies and systems and to rethink institutional priorities have thus been of utmost importance. Hence it is important to understand and inculcate ethical values in education and sense its impact in our everyday routine. The summit will be a forum for discussion in academics, industry, research, administration, policy making, and other issues that surround ethics, leadership, governance and value education.

The conference will provide an opportunity for all participants to interact with experts, within the field of governance and higher education, who will share their perspectives and enhance our understanding on the subject.

Through the keynote and plenary sessions as well as paper presentations, this summit hopes to

JYOTI NIVAS COLLEGE AUTONOMOUS

Jyoti Nivas College Autonomous, Bengaluru (India) was founded in the year 1966 as a minority Christian college by the Sisters of St. Joseph of Tarbes, with the specific aim of providing an opportunity for higher education for young women in India. For over 50 years the college has been committed to the intellectual progress and spiritual development of young women from across India and even other parts of the world. In recognition of its dedication to the cause of women's education and its commitment to excellence for these past five years, it has received many honours and received numerous awards.

The Post-Graduate Centre began in 1991 with MA in English, followed by MCA, MBA, MSc Chemistry , M.Com (FA), and M.Voc (Banking and Finance). The Postgraduate Studies programme, has added new and emerging areas to the curriculum and adopted an innovative and engaging teaching methodology with the aim of inspiring young women to better
