## NUTHANA 2K18

Date: 18<sup>th</sup> July 2018

Venue: College Auditorium, Business Lab & Seminar Hall

Conducted by: Department

Organised by: St. Francis de Sales College, Electronic city, Bengaluru

"Today is not just another day. It is a new opportunity, a new chance, a new beginning. First day of your college life, embrace it."

It was the custom at SFS College to welcome the newcomers with love and Care. As the freshers begin their journey of three years, the senior students of every department organise a function to welcome the newcomers and introduce to them the functioning of the department. They would also let them know the speciality of a particular department and how it stands apart from others.

Nuthana – the freshers day 2018 -19 was celebrated on 18 July 2018. As the fresher's begin their journey of three years, the senior students of every department organise a function to welcome the newcomers and introduce to them the functioning of the department. They would also let them know the speciality of a particular department and how it stands apart from others.

All the Students first gathered in the open auditorium where a small formal programme was held. God is the beginning of all wisdom and the fresher's day rightly started with the invocation of God's blessings. The Chief Guest of the day was Rev. Dr. Joy Mampally, Rector, Suvidya College in the presence of Rev. Dr. Roy, the Principal and Rev. Fr. Jijo Jose, the Vice Principal. Rev. Dr. Joy cordially welcomed the newcomers and enlightened them about the importance of College life. He stated that careful planning as well as proper

execution of plans coupled with clear aims and objectives would help them to come out in flying colours. Hence he urged every one of them to work hard and shape a good future for themselves and their families. After that each department students gathered in the places allotted to them and they continued with their programmes. Rev. Dr. Roy also welcomed all the beginners and asked to be focused in their studies and to follow their hearts. Later the students gathered in the places allotted to each department and continued with their functions.

All these meetings were presided over by the Head of the Departments, the coordinator and all the faculty of the respective departments. The senior student's put up cultural programmes for the freshers which were enjoyed by all. The reports of each of the associations for the previous year 2017 - 18 were presented and the plans for the academic year 2018 -19 were announced by the coordinator so that the students would be aware of what would happen during the academic year and to focus on learning by doing.

The office bearers of the various associations were elected in the parliamentary way as president, secretary, vice president and in charge of various events. The office bearers of each of the associations were introduced and they took the oath of office to serve the student community in their respective departments as well as to take responsibility for the upcoming activities. Few games were also conducted and the associations rewarded those students who performed well in curricular and co-curricular activities.

The outstanding leadership in the class and in organising the activities of the associations were also rewarded. The first years were asked to introduce themselves to the seniors in an informal way to their seniors at random specially in those departments where we have more students. It was a good time for all the students as they got to know each other in a better manner.

To begin anew with the new Desalites and to accomplish much more than in the previous years, all the associations with its faculty members and the students took off their activities. The whole programme was organised and conducted by the coordinators of the departments along with the other faculty members.

The meetings were concluded with a vote of thanks and the college anthem followed by national anthem.
