OVERVIEW OF THE ORPHANAGE:

Name of the Orphanage: Suryodaya Boys Centre

No. Of children: 20

Age range of the children: 6 years to 17 years

Introduction:

With the encouragement and support from the Principal and vice principal, The Department of Commerce (outreachment and extension activity) has organized a visit to boy's orphanage which is near Sarjapur. Children of different ages live in this orphanage. The orphanage is run with 3 staff and one lady looking after cooking.

For the support to their education and for their basic needs, we had collected a small contribution in the form of cash as well as in the form of kind to donate for them from our students (department of commerce).

On 28th may 2022 by 1:30 pm we left the college with the 40 student volunteers from all 1st, 2nd, 3rd year B.Com, along with the faculties who are in charge for this outreachment and extension activity. The B.Com HOD, Prof. Jeseentha Mathew and Prof. Anusha also accompanied with us. We reached the orphanage by 2:30pm. We met the Father. Mathew Mahish who is incharge of that orphanage. He gave a small introduction about that orphanage. Later he introduced all those 20 boys who is residing there in that place to us. Later, our students planned some activities/ games which is played with the boys of that orphanage. Those boys also entertained our students by dancing. Our students took them to a ground to play some outdoor games which they planned to play with them.

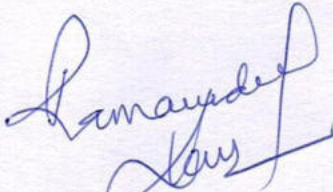

We spent with those boys till 5'o clock and we have donated all stationary things which is collected from our students and donated a Rs.5000/- in the form of cash. The day was spent well and even our students got real experience of togetherness, love, ethical values, by spending time with them.

And finally, our HOD felt happy and spoke few motivational words which inspired both our students and the boys of that orphanage. And later we all faculties had a talk with the Father who is incharge of that orphanage, heartfully he thanked us for our support and he accepted our small contribution on behalf of our college.

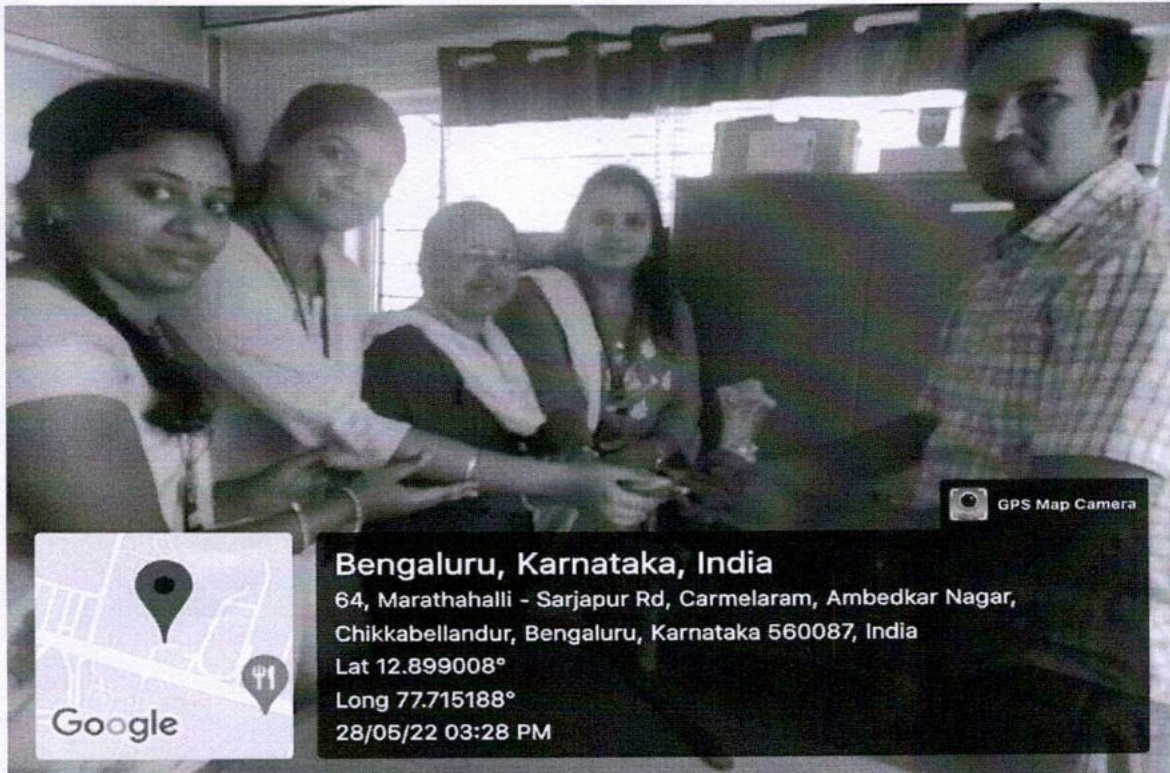

OUTCOME:

Our students had got experiential learning. It was indeed very satisfying experience for the students, as they could bring smiles on children faces. They realized that contribution makes lots of differences and understand his /her social responsibilities towards society.
