Role of games in building team spirit

Name of the event: Tech Charades

Date: 21/01/2019

Target group: II, IV & VI BCA

It is been said that in the land of dumb, the man with a voice will be king. It is now time to prove them wrong where silence will be heard. Tech. Charades is the new exciting version of Dumb-Charades in which team has to enact the given technical word. Department of Computer Science organised Tech. Charades Activity for week one.

Name of the event: Bug 'D' Code

Date: 28/01/2019

Target group: II, IV& VI BCA

Report:

"Debugging is twice as hard as writing the code in the first place. Therefore, if you write the code as cleverly as possible, you are, by definition, not smart enough to debug it." says Brain W. Kernighan.

Novices insert corrective codes; experts remove defective codes. We are proud to showcase our future techies of the Department of Computer Science on the debugging competition,* Bug-D-Code. *

Name of the event: Extempore

Date: 11/02/2019

Target group: IV & VI BCA

Report:

One has rightly said, "For effective extempore speaking a participant must be fluent, erudite and articulate." An extempore is an impromptu speech which the participant is required to make on a topic there and then. Participants of the Department of Computer Science spoke enthusiastically and they were judged on the basis of content, confidence, voice modulation, pronunciation and overall impact.
