Resource Person(s) with qualification / In-charge	Murugesh Nirani
Books (if published)	-

Place of visit/ details of Industrial visit place (if applicable):	-

Objective: The objective of the session was to encourage the students to become Entrepreneur and create employment.

To create a conducive business ecosystem in the State, Central and State Governments have implemented various business reforms and conceptualized several investor friendly sectoral policies and self-employment schemes. In order to further strengthen and diversify the entrepreneurial community, the State Government has introduced Start-up Policy to leverage the technology and innovation. Regarded as the Silicon Valley of India, Bengaluru, the capital of Karnataka has always been at the forefront of driving India's entrepreneur growth story.

In this regard an awareness workshop 'Udyami Agu, Udyoga Needu' (Be an entrepreneur - Become an employer) on 11-10-2021 10:00 AM at Bengaluru Palace, Palace Road, Vasanthanagar, Bengaluru to sensitize all the students and potential entrepreneurs about the various initiatives and policy schemes for the benefit of the entrepreneur ecosystem.

Desalite

The main aim of the workshop include:

- Sensitisation on Schemes, Incentives and Facilities offered bt Government of India and Government of Karnataka for prospective entrepreneurs.
- Sectoral information and hand holding for new entrepreneurs.
- Interaction with experts.
- Testimonials by successful industry leaders.

Eleven students from the post graduate program participated in the workshop on behalf pf the college. Prof. Shivakumar, the faculty incharge accompanied the students to the venue. The students left the college at 10:30 am and reached there by 11:30 am. This program was conducted by our Industrial Minister Murugesh Nirani.

Chief Minister Basavaraj Bommai inaugurated the 'Udyami Agu, Udyoga Needu' (Be an entrepreneur - Become an employer) programme. The programme aimed at creating awareness among young professionals and graduate students on the advantages of becoming entrepreneurs and contributing to the economy instead of seeking employment.

Several prominent business leaders, including Nithin Kamath of Zerodha, Aprameya Radhakrishna of Koo, Gadhadar Reddy of NoPo Nanotechnologies, Chaitanya Adapa, Head-Credit, Udaan Capital, Vivekananda Hallekere of Bounce, Geetha Manjunath of Niramai Health Analytix, Madan Padaki of Global Alliance for Mass Entrepreneurship, Subramanya SV of Fisdom, Rajkiran Rai G, MD and CEO, Union Bank of India, took part in the day-long entrepreneurship workshop and shared their experiences with youngsters and budding entrepreneurs.

It was a wonderful and useful workshop for the upcoming entrepreneurs. After listening to their stories and experience, students were able to understand the impact that an entrepreneur can have on the society and how they can contribute to the economic development. The students reached back to the College campus by 5 pm.

AVGC

ANIMATION, VISUAL EFFECTS, GAMING AND COMICS POLICY 2017-2022

Salient Features

- Skill Development
- Enabling Infrastructure
- AVGC Venture Fund
- Market & Ecosystem Development
- Financial Support

Vision

Develop Karnataka into a leading global AVGC hub in terms of export revenues, projects acquired, and employment created by strengthening the ecosystem to support the same.

Develop at least one tier-2 city in Karnataka as a hub and a preferred destination after Bengaluru for the AVGC industry.

Focus on skill development to raise the skill levels and create a pool of world class designers, illustrators, animators, CG artists, technical directors, game developers.

Establish a Center of Excellence for Animation, Gaming and Visual Effects, an AVGC Finishing School, and a Digital Post Production AVGC Lab and other infrastructure in the form of plug and play labs and incubators to encourage AVGC start-ups.

Assist talent hunt programs and introduce AVGC courses and specializations in premier educational institutes such as IIIT Bengaluru and IIT Dharwad.

Gain global prominence by attracting large and high profile AVGC projects to raise the profile of the Karnataka AVGC sector.

Encourage creation of IP from KAVGC companies and support local industry through the creation of infrastructure such as digital post-production AVGC labs with state-of-the-art hardware and software that companies can use on pay-per-use basis.

Goals Of The AVGC Policy 2017-22

The policy aims to foster a vibrant, stimulated and well informed community.

Stimulate the growth of 100 KAVGC companies including 25 high profile companies in terms of projects and size of operations.

Facilitate skill development through 120+ training institutes spread across the state.

Create 15,000 new jobs in the KAVGC industry thereby taking the total employed workforce to 20,000 people.

Maintain the share of exports to more than 75 percent of total revenue.
