World aids Day: HIV/AIDS, Human Immunodeficiency Virus, Acquired Immunodeficiency Syndrome. Each year, on 1 December, the world commemorates World AIDS Day. People around the world unite to show support for people living with HIV and to remember those who have died from AIDS-related illnesses.

DETAILED REPORT ON WORLD AIDS DAY:

"We live in a completely interdependent world which simply means we cannot escape each other. How we respond to AIDS depends, in part, on whether we understand the interdependence. It is not someone else's problem. This is everybody's problem. "-BILL CLINTON.

Theme of world aids Day 2021: End Inequalities, End AIDS.

On the occasion of World Aids Day, our CSA Committee took initiative to create awareness about HIV/AIDS among people. For this, our volunteers prepared 20 charts which revealed ideas related to HIV and AIDS. 14 charts were made in English and 6 charts in Kannada.

Later, at 10:05 Am in the break our volunteers started the awareness program with a flash mob that is a dance which attracts people. Right after the dance, the street play began which gave a brief idea and knowledge to the students about What AIDS/HIV actually is and how it gets transmitted, how people affected by AIDS be treated.

The same evening by 3:30 we departed to the Government school in Hebbagodi. Students there showed a great interest in learning things. Students were very active and interactive that gave us complete satisfaction of teaching them and giving them awareness about what HIV/AIDS is.

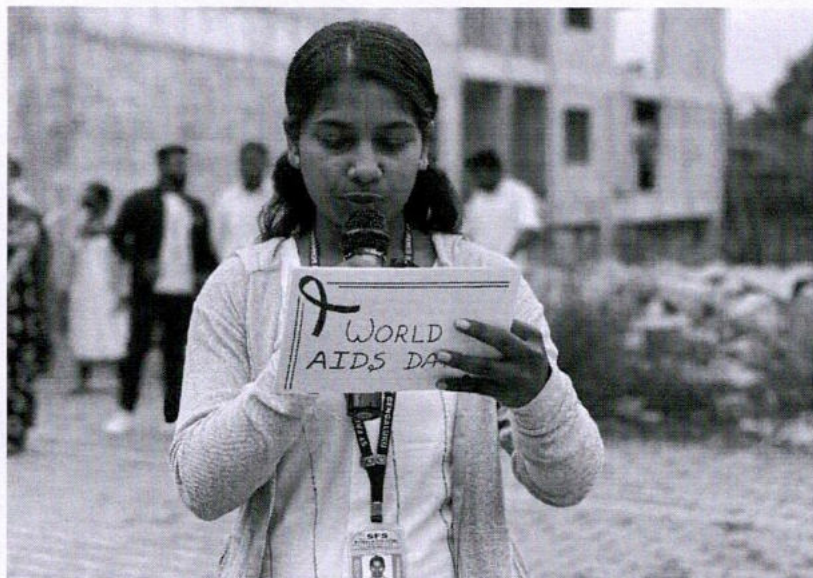

All the teachers, students and principal of the same school were very happy about the information shared and charts prepared by us and asked us if they could have our charts left there for them.

At Last, but not the least, our motive was to create awareness among people about AIDS. We thank our Principal Rev. Fr. Dr Roy and Vice Principal Rev. Fr. Jijo for giving us this opportunity and Prof. Anusha and Prof. Victoria for their support and guidance.

We also thank our volunteers who really worked hard to make all this possible and successful.
