“Disability is a matter of perception. If you can do just one thing well, you’re needed by someone.”

-Martina Navratilova.

SFS College always encouraged and extended a helping hand to differently abled students by providing various facilities. It’s always believed that, “Abled does not mean enabled. Disabled does not mean less abled.”

- Khang Kijarro Nguyen.

The College provides special facilities for the differently abled students and persons to provide them opportunities to acquire quality education and to bring them into the mainstream of the society. The college has a social responsibility and perception that differently abled students should be respected and treated as a normal human being.

1. Medical Center: There is provision of a first aid/medical room with all the facilities required for medical assistance. The college has arrangements for a part time doctor and an in house nurse. A MOU is signed with Vimalalaya multispecialty hospital located at a distance of less half a kilometre to cater to the needs for extended medical treatment. Medical equipment such as a wheel chair , BP monitoring machine, weighing scale and other first aid medicines are made available in the medical center.

5. Scribes for Examination: Some students find it difficult to take the examination and they need scribes with them. The College provides or allows the students to take the help of scribes in the examination. As per the Government Circular ED 5 UNE 2004, dated 5.3.2004 and ED 5 UNE 2004, dated 22.3.2004, the following guidelines are to be strictly followed:

- a) The blind student may select the scribe
- b) The scribe need not have a qualification lower than that of the student, provided that the scribe should not have the qualification (with the same optional and languages) pertaining to the examinations, which the student is writing (for ex: a student who has completed B.A. or M.A. can be a scribe for the student who is taking B.Sc. Examinations)
- c) A physically disabled / blind / hearing impaired candidate and the scribes for such a candidate shall be allowed an extra time of 20 minutes per hour
- d) As the hearing impaired students are having language problems, possibilities of grammar mistakes, mistakes in building the sentences are there. Hence, the answer papers shall be identified separately and evaluated with additional care.

6. Braille and NVDA Software/Facilities: The differently abled students are provided the facility of the Braille and NVDA Software to develop their skills. The College helps them to develop their language and other skills through these Software. ICT sessions on these software's were taken to give a practical exposure for visually disabled students.
