The Polio Camp was organized by the Rotary Bangalore Health city at Public Health Centre , Singasandra under the able guidance of Dr.Naveen, Public Health Centre, Singasandra.

The members of the Rotaract Club went over to Public Health Centre and after a small training were involved in giving children polio drops. They also went house to house to create awareness on importance of eradication of Polio and also gave drops to children.

The World Polio Day was established by Rotary International over a decade ago to commemorate the birth of Jonas Salk, who led the first team to develop a vaccine against poliomyelitis.
